### **TUITION: NZ\$15,500.00**

Included in the year's tuition fees are:

- All tuition fees include tuition for English during school hours. For students, whose English is very weak, an extra fee may be charged for extra classes until the student can operate effectively in classes. This is discussed at enrolment. Textbooks (on loan).
- Orientation programme for International students.
- Bank fees.
- Normal subject fees and workbooks.
- School uniform (except for shoes and socks).

Items not included are:

- Costs for co-curricular activities such as sport and music which require uniform and/or equipment/gear.
- Field Trips are not included as part of the tuition fee and are an additional cost.
- Examination fees for senior students who may choose to sit external examinations e.g. National Certificate in Educational Achievement (approximately \$400.00).
- Stationery.

Students who wish to stay over the Christmas vacation will pay extra for homestay.

Students who return home over the Christmas vacation in December/January pay a retaining fee to the Host Family of \$250.00 for the holiday period. The retaining fee ensures their room is kept for them and all their belongings will remain in the room while they are away. Students who go away for more than one week, in the school holidays during the year, are able to apply for a reduction in the fee charged. Notice must be given before the student goes on holiday.

### **CONTINGENCY**

This is deposited into the student's school account to cover costs such as sports fees, field trips, etc. It is \$1200 for a year, \$750 for the half year. What is not used is refunded at the end of the student's stay.
