<b>General Notices</b>		
All/Te Katoa <b>BeYou Patches available from the Student office</b>  An incredibly intelligent plaster to help ease your period pain and cramps, these BeYou Monthly Patches are 100% natural and made from steam-distilled eucalyptus and peppermint-derived menthol that create a 'cooling tingle' on application. Long-lasting and slow-releasing, each patch slowly delivers a cramp-numbing sensation to skin over 12 hours. The menthol and eucalyptus scent also provides a light, invigorating aroma that will help uplift you. Simply apply to the area of concern, day or night. You can apply them to your back, abdomen and even to your legs (it can take up to 30 minutes for them to start working) and then get dressed and carry on with your day. Incredibly discreet, easy to apply and remove (they don't hurt like normal plasters!). They are vegan, cruelty-free and biodegradable too!  \$18 per pack of 5 or \$4 each	(STE)	
All/Te Katoa <b>Friday 1</b>  This week is Friday 1. Please check your timetable before arriving at school on Friday. Timetables and classes will no longer be given to you by the office staff.	(STE)	
All/Te Katoa <b>Netball Tracksuits</b>  Senior A, Senior B, Year 10A and Year 9A Netball - please return your tracksuits to the Sports Office by Friday. If they are dirty please make sure you wash them before returning!	(NIC)
